EDUCATOR RESOURCE—CONSEQUENCE VS. LIKELIHOOD CHART EXAMPLE

The decision is whether I am going to have sexual intercourse (vaginal and/or anal) without a condom.

- (P) Physical consequences
- (E) Emotional consequences
- (S) Social consequences

CONSEQUENCE I WANT	
*(E) If we have unprotected sex I might feel emotionally closer to my partner	*(P) If we have unprotected sex I will experience physical pleasure
*(S) All of my friends are having unprotected sex so I would fit in more UNLIKELIHOOD	*(E) (P) If we have unprotected sex I'll have peace of mind and be able to enjoy myself more
	*(P)(E)(S) If we have unprotected sex, I might get pregnant
*(E)(S) If I did not have	*(S) If I got an STBBI and people found out, other people might avoid me because of the stigma
unprotected sex with my partner, they might break up with me	*(P) (E) If we have unprotected sex, I might get an STBBI
CONSEQUENCE I DON'T WANT
