

### Curated Photo Series

1. Choose a photo sharing platform (e.g., Instagram, Snapchat, Tumblr, etc.).
2. Choose a hashtag that shows self-taken photos (e.g., #selfie).
3. Select 10 to 15 images from the collection. Pick images that you find “typical” or unusual, compelling or interesting somehow.
4. Answer the following questions about your photo series.
  - Of all the images you saw, why did you choose these ones?

---

---

---

---

---

- What do these images say about the people portrayed?

---

---

---

---

---

- Do you think the photos have been manipulated or processed through a filter? What do you think they hide or change?

---

---

---

---

---

- What aspects of life do the photos not show? (e.g., If it only shows the person hanging out with friends and having fun, what parts of their lives do we not see?)
