

Norms and Relationships

Read the following statements and choose whether you agree, disagree, or it depends.

1. The things that make a good relationship are basically the same things that make a good friendship.
2. It is okay to not be in a relationship.
3. It is important to be sexually compatible with someone you are in a relationship with.
4. If you go on a date with someone, it can be assumed that you are now exclusive.
5. Everyone is equal and the rules are all pretty much the same in relationships, regardless of gender.
6. There are ways to be sexual with someone without having sex.
7. People should have as much sex as they want.
8. You cannot sexually assault someone you are dating.
9. If you are serious about dating someone, it is important to publicize your relationship on social media.
10. Jealousy is a sign of love.
11. It is important to still have your own friends and hobbies when you are in a relationship.
